**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The laws are to be reinstated with a fifty million dollar ceiling, because statistically, when they are much above that, their product is bad for the consumers. Shutting out everyone else out is what they always do and everyone knows it will have to stop eventually so we can start doing the things we need to do.
